

**Mosman Musical Society proudly  
presents the world premiere of  
BRINGING THE HOUSE DOWN  
by Roger Saunders and Jim Coyle**

**This is a brand-new, old-fashioned musical about a theatre company who fight the bank, their feelings and each other to see that the show really does go on. Just as the story is reminiscent of the Golden Age of Broadway Musicals, so the score evokes the swinging sounds of the 40s and 50s.**

**BRINGING THE HOUSE DOWN will run for five performances at the Zenith Theatre Chatswood from 31st March – 3rd April 2010.**

**Auditions will be held on November 10, 11 and 12,  
by appointment.**

**Please call Susan on 9437 6641 to arrange a time.**

**The show has nine principals (5 boys, 4 girls) and a large and very busy chorus.**
